Headquartered in Chicago, Illinois, CNA Surety provides a full range of surety and fidelity bonds in all 50 states, Canada and Puerto Rico. When you need a surety provider with capacity, experience and dedication to servicing a full range of bonding needs, we're ready.

### Contract Bonds

CNA Surety offers a full range of bid, performance and payment bonds for contractors through our network of nationwide branch offices. We have the capability and capacity to provide bonding for multi-million dollar projects to smaller specialty construction jobs.

We have a broad appetite for contract surety and will consider most classes of business including generals, heavy and highway, subcontractors and specialty accounts. We can also accommodate contractors needing an aggregate bonded work program in excess of \$350,000 up to \$700,000. For the higher aggregation, we gather additional, but essential underwriting information to consider a workable aggregate program.
